Secretary's Report

Hi all!

Firstly welcome to all of the returning Members for 2007!

Just a quick note in thanks to Fran, Brian, Eileen, Raymond, Julie and Tami (for storing it in the first place!) for their help in moving the clubs files, library etc on the 28th March. The files and books are now at Julie's to be sorted, preserved, archived or destroyed. Thank you to Julie for making space available in your garage!

Just to remind us all that 2008 AND our National Specialty is sneaking up fast, a special thanks to Julie Beeby for her generous donation of \$1000.00 toward Judges expenses. Way to go Julie!

Cheers for now,

Megan

Dalmatian is top slimmer

A Dalmatian has been named Britain's top pet slimmer after losing 20lbs.

Pongo became too fat to walk after he grew to more than 6st.

Pongo was one of 10 pets who joined a People's Dispensary for Sick Animals (PDSA) Pet Fit Club.

The 100-day diet and fitness programme was overseen by vets who told his owner to cut out treats such as pigs' ears.

His regime, which also included daily two-hour walks, trimmed his waistline by seven inches.

Pongo's owner Roy Goodall from Rochester, Kent said: "I wanted him to have a healthier lifestyle."

Editor's note: Wish I could lose 20 lbs!

Treasurer's Report

Account balances as at 1 March 2007 :

\$3267.54 Investment, \$3509.92 Business - Total \$6777.46

Account balances as at 1 April 2007:

\$3267.54 Investment, \$3433.82 Business - Total \$6701.36

NOTE: With several new members and other donations to the club I have several cheques that haven't hit the bank yet so the DAQ position has improved in early May.

 - iv. Select and approve shows for the City Point Score for Nov'07 (Beenleigh KC Sat 18 Nov), Dec'07 (Combined CCC Club's Sun 10 Dec), Jan'08, Feb'08 [Beenleigh KC Sat 03 Feb, Beaudesert KC Sat 17 Feb), Mar'08 (Gundogs & Heavy Breeds Club Sat 03 Mar, Northern Classic KC Sun 18 Mar) & Apr'08 (Durack Sub Committee Sun 08 Apr, Kennel Assn of QLD Sun 22 Apr, Library & Achives S/C Sun 29 Apr)
 - v. That the date for the DAQ Specialty Show in 2008 that will be the National Specialty remain on 7 June even though only a single ring will be available for the show. (see explanatory note 1)
 - vi. That the club elect a conformation judge for the DAQ Specialty Show in 2008 to be the National Specialty Show – nominees - Sue MacMillan – Paisley Dalmatians, USA and Joanne Nash – Rambler Dalmatians, USA
 - vii. Call for nominations for the Obedience Judge for the DAQ Specialty Show in 2008 to be the National Specialty Show.
 - viii. Approve the opening of a WebSavings Account with the Bank of Queensland and transfer of the funds in the Easy Investment Account with the Bank of Queensland to the Web Savings Account to access a higher interest rate for the DAQ's funds. (see explanatory note 2)

Explanatory note 1. At the March DAQ General Meeting the Secretary was asked to apply for two rings for the 2008 DAQ Specialty Show on the 7 June as it is to be the National Specialty. Owing to the large number of Specialty Clubs with shows on that day only one ring will be made to the DAQ for the show. The DAQ has the option to remain with the show on this date and have one ring or change too another date and have two. The major disadvantage with changing from this date is that the new date could become the permanent date for the DAQ Specialty Show for future years. Also the only weekend that has the advantage of a long weekend and shows on the other days of the weekend is the Labour Day weekend in early May. The disadvantages of this date are it is very close to the NSW Specialty & NSW Royal, which may reduce the number of people willing to travel so soon after the other shows, it is in a hotter time of the year and the quality of the All Breeds Shows are not as good as those in June as the Durack Shows in June tend to have International judges, which is a further draw card for exhibitors to travel distances for the show.

Explanatory note 2. The Easy Investment Account held by the DAQ currently attracts an interest rate of 1.3%. It is proposed to open a WebSavings Account that will attract an interest rate of 6.2% (variable) for amounts over \$2,000, calculated daily and paid monthly. As the easy Investment Account currently has over \$3,000 the higher interest rate will be achieved giving the DAQ an income of over \$150 per year. It is proposed the funds raised for the National Specialty Show for 2008 also be invested in this account until the funds are required to access the higher interest rate. Access to the new account is only over the counter as for the Easy Investment Account and no fees are charged.
