Rescued!

- After the tornado - Greensburg, Kansas, USA

The story begins with the rescuers finding this poor little guy they named Ralphie. Someone had already taken him under their wing but weren't equipped to adopt. Ralphie, scared and starved, joined his rescuers...

I wouldn't think anything could live thru this... but we were wrong.

This little lady also survived that wreckage.

Here she is just placed in the car - scared, but safe.

and then...they are no longer alone!

Instant friends, they comforted each other while in the car.

Add two hounds found after that... the more, the merrier!

Oh boy, a new traveler to add to the mix...

(note: the cat coming over the seat needing shelter...)

Now just how is this going to work???
- and remember they are all strange to one another

It's going to work just fine, thank you very much!
Wow! The things we learn from our animal friends...

If only all of mankind could learn such valuable lessons as this. Lessons of instant friendship. Of peace and harmony by way of respect for one another - no matter one's color or creed. These animals tell you...
'It's just good to be alive and with others.'

Editors Note: How often have your heard that Dalmatians are untrainable? How often have obedience school trainers gone “Oh no, a Dalmatian!”, when you enter their class? Every time I see this photo it brings a tear to my eye. The Dalmatian is an intelligent breed that has played an important part in so many situations. I think it is we the owners that fail our Dalmatians in training, not our dogs!

PS—Good luck to all those entered in Obedience, Agility & Jumpers at the National!

Country Point Score 2007 Updated Results!

With sincere apology to the owners, I have found that when I was having trouble with my computer I missed an entry in the Country Point Score 2007. Please find the correct results for the Best Country Dog. Congratulations to Rae Mertin for this win with Adice Back to the Future - Eileen

Best Country Dog: Adice Back to the Future (62 points)

Editor's Spot

I'm not sure if I'm keen on the Dally Digest this month. I think this is going to be a very expensive month for me. The clothing and mementoes of the National Show look far too tempting to me! And with Winter coming on the Rugby Jumpers look just the thing to keep those cold winds away at Winter dog shows.

Thinking of Winter, don't forget to rug up your oldies at night as they especially feel the cold. I have a 14 year old Dal that insists on sleeping on his bed outside his kennel, even in the bleakest of nights. His thick dog coat is a must to keep his poor legs moving.

For those visiting our region for the National from down south we hope you enjoy the warmer Winter up here. We even have a couple of exhibitors from Tasmania!

Wishing all exhibitors a great National - remember while winning is always great, this is the time when we can all get together and celebrate this wonderful breed that accepts us as their owners—The Dalmatian!

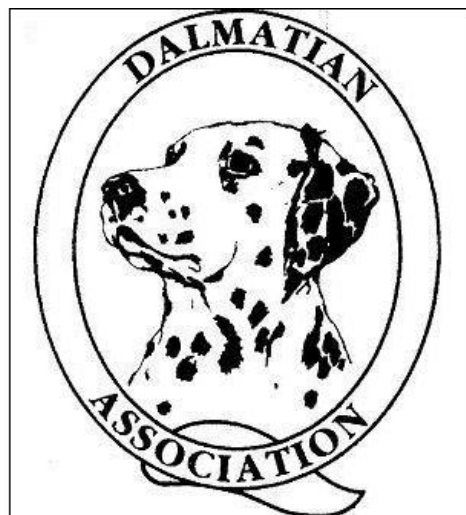

Till next month *Julie*
