Its that time again when I put pen to paper (or finger to keyboard) and this time it is a pleasure to write about what's been happening. The Champ and open shows for 2007 were held and was a great success, congratulations to The Matthews tribe for cleaning up at the Open show and almost a repeat performance with the Champ show except for Terry Irving's dog which took the top honours so well done Terry and Harley. The day was a cold and sometimes nasty day but we soldiered on nonetheless and a good day was had by all. It was good to see some old faces again and some dogs that haven't been shown for a while as well. The day rolled into the evening and the DAQ auction dinner kicked off in fine form, from memory we had 45 people at the dinner. The auction raised just over \$1500 and the raffles for the night raised just under \$500, so we almost raised \$2000 for the night, a stellar performance I am sure we would all agree. I would like to take the opportunity to thank a few people for the tremendous work that was done in the preparation for the shows and dinner auction. I would like to take my hat off to Allyson for the tremendous job of trophies and organising the auction as well as the people who donated to the auction table. I would like to thank Julie who has tried to keep us on the straight and narrow with the financial books and fabulous Dally Digest. The treasurers position is a large job and Julie has made it larger thanks to her being a stickler for the rules. Thank you to Megan who is only new to the club and has taken over the secretary's role and has done a fantastic job including a number of meetings with the CCC, one of which I traveled down for as well. This was all for our National, so I hope it isn't all in vain. Thank you to Jo Robinson for supplying the nibbles and writing for the day, ( I know it was cold, in the morning she was looking for sunlight and in the afternoon she was looking for shade but wanted the warmth of the sun.....can't please some people)

We need to finish off the fundraising which is almost another \$1000 before the National, so any ideas make sure you let Toni know as she is the fundraising co-ordinator.

Well until the next meeting which I believe is in July and I hope to see a lot of you there happy spotting.

Brett Johns

## Secretary's Report

Hi everyone. It has been a really busy two months but ending on a high following the success of our Champ and Open show and Auction Dinner. I would like to thank everybody who was involved in preparations for what turned out to be a great day (except for the weather!). A big thanks to Lionel Blummel for stepping into the Show Managers role at the last minute. It was great to see the everyone having fun at the Auction Dinner as it was my first and I didn't know what to expect.

I hope to see you all at the meeting on the 7<sup>th</sup> of July.

Cheers.

Megan

## Hercules:

The World's Biggest Dog Ever according to the Guinness World Records.

Hercules was recently awarded the honorable distinction of Worlds Biggest Dog by Guinness World Records. Hercules is an English Mastiff and has a 38 inch neck and weights 282 pounds. With "paws the size of softballs" (reports the Boston Herald), the three-year-old monster is far larger and heavier than his breed's standard 200 pound limit. Hercules' owner, Mr. Flynn, says that Hercules' weight is natural and not induced by a bizarre diet. "I fed him normal food and he just grew".....and grew.....and grew.....and grew.

*Editor's note: OK he isn't a Dalmatian, but I couldn't leave him out!*

## Treasurer's Report

At the May General Meeting I presented a budget indicating that we needed to raise about a further \$3000 to comfortably fund our Nation Specialty Show in 2008. We are doing well to raise the funds with nearly \$2000 raised at the Show Dinner Auction and Raffles. Full details to be presented at the July General Meeting.

The report is showing Interim Balances as statements were not available to verify interest etc. From the 30<sup>th</sup> Sept 05 to 30<sup>th</sup> Sept 06 the club has made a profit of \$400.00, which is great for such a little club.

A partner from Ernst and Young has agreed to be Honorary Auditors for two years.

The club needs to hold another AGM to present and ratify the books when the auditors are finished with them. The Auditors also advised that the club needs to be more diligent with money within the club – i.e. make sure receipts are written for all monies incoming, and cheques are used for all monies outgoing (greater than \$20.00 as stated in the constitution) reason being easier record keeping.

## *DAQ Champ Show 9 June 2007 - Judges Critique*

Many thanks to the Club's members and committee for the invitation to judge. I enjoyed my afternoon and wish to thank all exhibitors for presenting their dogs to me in such lovely condition.

Generally, height of exhibits was good; there may have been a couple of bitches below standard height and a couple of dogs above standard height but nothing unacceptable. I found considerable variation in type, movement, spotting and heads. I observed a few broad fronted dogs, which will have to be watched in the future. Overall soundness was pleasing. Temperament was excellent on all exhibits. - Judge: Pam Young

Baby Puppy Dog: FEL Mathews – Paceaway Rum Ruffian. A well presented and well balanced 5 mths old liver. Lovely extension on the move, good bone, good topline and correct angulation. Markings on the heavier side. Very promising youngster.

Puppy Dog: T Donaldson – Lykatyga Wyld Midnite. Well grown 11mth old black. Stood alone in this class. Good make and shape. Hope his head does not continue to broaden with maturity and would like his eyes to be a shade darker. More training will help him settle quicker and balance out his movement.

Junior Dog: M Donaldson – Lendalbas Blk Qui Arras. Fairly tall, lighter spotted 16mth black. Stood alone in this class. Good definition of spotting and an excellent neck. Lacks development in chest which maturity should help. Good extension on the move but would like to see his tail carried a little lower.

Australian Bred Dog: FEL Mathews – Paceaway Kiwi Konexon (IID). 15mth heavier spotted black. Stands well on his own exhibiting a good chest, excellent topline, good angulation and well set on tail. Lovely balanced mover. Not over exaggerated in any way. Would like to see better feet and tighter front movement. Lovely as he stands today but hope he does not become too heavy in build as he further matures. Dog Reserve Challenge and Australian Bred in Show

Open Dog: T & S Irving – Gr Ch Ozzispot Wicked T Xtreme CDX ET SDX JDO JDM ADM. 8 Year Old black. A beautifully balanced and honest dog, free from coarseness and lumber, that showed magnificently today. Attractively marked head, fairly long neck leading into oblique shoulders, excellent chest with good forechest, powerful level back, well set on tail. Well angulated front and rear without exaggeration. Moved with great freedom exhibiting a long stride. Dog Challenge and Best in Show.

Baby Puppy Bitch: B & W Johns – Brewen Walk on Water. Only just 3 mths old. Stood alone in the Class. A stunning baby. Moved out well and soundly. Excellent shape, good topline, lovely bone. Definitely one to watch out for in the future. Her magnificent spotting ensured her win of Baby Puppy in Show over the equally promising Baby Dog.

Minor Puppy Bitch: JS Allan – Throdice Court of Law. Excellent spotted 7mth liver. Pleasing head, lovely neck and good outline. However, she is very immature and lacks body and bone strength at this stage. Maturity will improve her overall quality but to what extent, only time will tell. Minor Puppy in Show

Puppy Bitch: A Forrest – Lykatyga Wyld Streak. 11 mth black. Stood alone in the class. Good headed bitch that looks a picture on the stack. Nice neck, pleasing topline and well angulated. Would like her to level out a bit more when she moves and would like to see a darker eye. Puppy in Show

Junior Bitch: T & S Irving – Ozzispot Tyme to Shine. Beautifully presented 13mth Black. Lovely type with good body, plenty of forechest, correct topline and well set on tail. A sound and balanced bitch but would like to see a little more angulation behind and a better drive from the rear. Junior in Show

Intermediate Bitch: B & W Johns – Ch Brewen Glamour Girl. Magnificently spotted 20mth Liver. This bitch has the strength in bone that I like, without any coarseness. Good head with a strong muzzle. Lovely conformation with good hindquarters. Moved soundly to win in a strong class. Good drive from behind but a slightly upright upper arm shortened her reach in front. Intermediate in Show

Australian Bred Bitch: A Forrest – Ch Throdice in Fashion. 3 Years black. Lovely free striding bitch. Not a big bodied bitch but has a lovely neck, good topline and adequate forechest. Good angulation and a nicely balanced bitch. Would like her spotting to have been more clearly defined.

Open Bitch: FEL Mathews – Ch NZ Ch Rothkeal Firedance at Paceaway (Imp NZ). 3 year old, heavier marked black. Another lovely free striding well balanced bitch. Good head, plenty of stop and strong muzzle. Fairly long neck that could have a bit more arch. Good shoulder lay, excellent topline, lovely tail set. Correct shaped body, good angulation. Plenty of substance. Would like to see her slightly tighter in front on the move. Well deserved Bitch Challenge and Runner Up to Best in Show

Reserve bitch was awarded to 2<sup>nd</sup> in Open: T & S Irving – Ch Talimba Too Darn Hot. 3 year old black bitch. Good black and white bitch that did not have the extension on the move of the CC winner. Well bodied and soundly built bitch.

Although not specifically critiqued, I make mention here of the Neuter dog, Throdice Intrigue CCD, who thoroughly enjoyed his time in the limelight and the winner of the Veteran Sweepstakes, Gr Ch Brewen Wicked Waze CD ET SDX JDO JDM ADM, who looked just as lovely now as I remember her when I was competing against her.

## 2007 DAQ Point Score

At the May General Meeting the Beenleigh Kennel Club Championship Show on 17 November was chosen as the DAQ Point Score show for November. Mark it in your diary as this will be the last show for the 2007 Point Score Year.

Don't forget the up and coming Point Score Shows on 22 July - Kennel Association of Queensland, judged by Ms C Camac (Vic) and on 19 August—Gundogs & Heavy Breeds Kennel Club.

We hope to have all the results for the 2006 DAQ Point Score soon and the winner will be announced and a presentation made at the following General Meeting. Apologies for the delay, but it has been hard getting the old show results.

This year we will be tallying the DAQ Point Score results monthly so everyone can see how they are going.

Don't forget the City Open Show Point Score - send in your best results at the end of the year.

**Editor's Spot**

Well the DAQ Shows went of well and you will see all the results in this edition. Unfortunately there was a glitch with the photographs. Should have them for the July Dally Digest.

A big congratulations to the Irving Family with a great Easter with their bitch Ozzisport Tyme to Shine (Anneka). Anneka won Puppy in Show at the NSW Dalmatian Club Specialty and then went on to win Best of Breed and Puppy in Group at the Royal Easter Show in Sydney.

The Stud Dog Directory & Breeders Directory is looking a bit spare this year so why not advertise? See page 7 for details.

Always on the lookout for interesting articles so feel free to email them to me.

See you all at the point score on 22th July.

Till next month

Julie
