Presidents Letter

Hi All.

Another year almost past, where does the time go?

The last six months has been extremely busy for our committee organising next year's National. The time and effort they have dedicated so far and what they have achieved is amazing. Seriously, for a small group of people they do a fantastic job. As President of the Club and on behalf of all our members, Thank you.

So the best way our members and all Dally people can show their appreciation for their effort is to come along and support our National and events happening on that weekend.

Finally, as this is my last report as President, I personally would like to thank all current and past committee members over the last six years for their support to the club and myself.

Hope to see you all in June.

Regards, Ian.

Secretary's Report

Merry Christmas to you and your spotty family.

Hasn't this year flown by!

There seems to be oodles of litters lately from breeders before the National in June.

Lots of hunkering down by the committee to get the final details done next year and with everything coming together for a wonderful weekend.

This Christmas for us, as a family we are having a simple Christmas valuing our time together after a harrowing year of serious illness.

We are making a point at being grateful for what we have and spending time together, focusing on life and love.

Life is too short, for without the love of family there to spend it with, it just isn't the same.

Hug your loved ones closer, place aside differences and relish what you have.

Stay safe, have a wonderful and merry Christmas and a prosperous and Happy 2015.

Cheers for now,
Toni

Editors Spot!

Well this year has certainly flown by. A huge learning experience being involved in DAQ's committee this year, and I have thoroughly enjoyed every moment of it.

I am really looking forward to the Dalmatian National next year, meeting a lot of new people and their spots.

In this issue you will find the last instalment of the interview with Lisa Davis, the voice of Anita Radcliff in the animated 101 Dalmatian movie, on page 12.

We have our AGM coming up in February, if you would like to be involved more in DAQ or nominate someone for committee, find out more on pages 10 & 11.

Christmas is literally right around the corner and I am sure a few of us still have some last minute shopping to do. Don't forget your spotted loved ones, find some gift ideas on page 5.

Don't forget to get your membership renewals for DAQ!

Have a wonderful Christmas & a safe New Year.

Samantha Hartley.

Christmas Returns

*Santa comes quietly long before dawn
While shops are still busy and lights are still on
While dinners are simmering and kitchens are warm
And children count presents they'll open by morn.*

*He slips past the trees and the windows aglow
Through the gate to the back yard as icy winds blow to find
The pup that he brought last year chained up in the snow and
Kneeling he whispers, "Are you ready to go?"*

*There are too many stops like this one tonight
Before the beginning of his regular flight
He never leaves not a note or a footprint in sight
Just an unbuckled collar on a cold Christmas night.*

Christmas Ideas!

Wheat & Gluten-Free Carob Crunchers.
A little carob love for our wheat sensitive doggies.

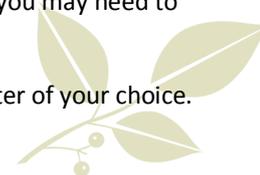

Ingredients:-

1 cup White Rice Flour
1/2 cup Carob Power
1 teaspoon Cinnamon
1 teaspoon Vanilla Extract
3/4 cup Water

Directions:-

1. Preheat oven to 350 degrees Fahrenheit and line a baking tray with baking paper.
2. Mix all ingredients in a large bowl and knead until dough is formed and smooth, you may need to add a little more water as the dough tends to be on the dry side.
3. Roll onto a heavily floured surface, 1/4 inch thick and cut with a small cookie cutter of your choice. Place on prepared baking sheet.
4. Bake for 10 to 15 minutes or the cookies start to crackle. Cool and refrigerate.

Notes:-

Can add 2 teaspoons of peanut butter for a burst of flavour.

Best stored in refrigerator.

Can freeze treats for 4 to 5 months.

DOGGY GIFT IDEAS!

Don't forget your four legged friends this Christmas, why not have something under the tree for them this Christmas?

Is that current collar getting old and frayed, how about a brand new collar?

Would you like your dog to try swimming, but afraid he will sink instead of swim?
How about a doggy life jacket?

After that swim, how about a spa session with Aussie Pooch Mobile?

CONGRATULATIONS

CHERRY!!

MBISS Sup Ch Topspott Cherry Brandy

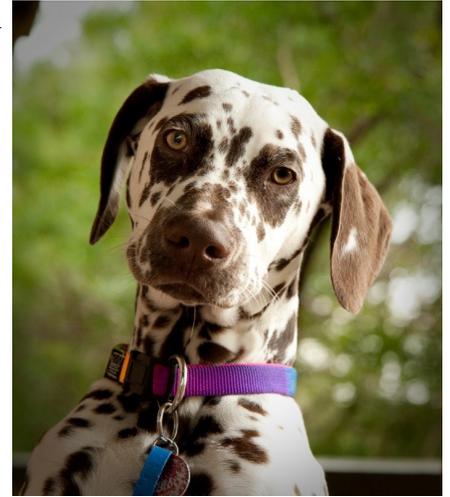

Cherry was bred and adored by the late Chris Spencer of Topspott kennels.

Cherry was trusted to us before her passing and we were so proud to have had Chris with us at her last speciality show in South Australia where Cherry won her second of three BISS to date.

Andrew and I are so very proud to be owned by this beautiful girl. . . to be continued.

FRASER is a 2yo Liver spot male, desexed, fully vaccinated and micro chipped. He loves to play catch and chase balloons. Fraser currently lives in the Dayboro area. He is looking for a new family. He is ok with larger dogs. Cats and small dogs are fun to chase when they run, so may not be appropriate. He likes to be inside at times with the family, he sleeps outside on an enclosed patio area. He loves cuddles and going for walks. He is mostly obedient, (as all dallies are) but can be distracted on recalls if something looks more interesting. He has been socialised with other big dogs at times, but not regularly. He is a little shy at first as he once had a bad experience with another dog. Fraser is a smiler.

SMUDGE is a 6yo Black Spot Female, fully vaccinated, and micro chipped. Smudge is a very lovely natured lady, who smiles at you as you approach her. After extensive training by our foster carer, Smudge now gets along with big dogs. Small dogs are a potential no go zone. Cats may be ok, it would depend on the cat. If it ran she would chase it. Smudge loves a cuddle and a pat, she is learning to play ball. Smudge would be comfortable sleeping either inside or out. We have had Smudge in foster care for the last 4 months. She really needs her very own human to take care of. She would make someone in need of a fur- kid very happy. Smudge appears to get along with school age children, although we don't know if she has ever lived with children.

KING is a fun loving 8month old boy, he loves to play, is well socialised with other dogs, in a home environment. It seems that a Dalmatian puppy became too much for his owner, (we all know how much energy they have and they need amusing). King is in the hands of a foster carer. King has also been socialised with children and has lived with a family with 3 young children up until a week ago. King loves to play and snuggle up with his foster carers 10 week old kitten.

He loves cuddles and likes to be in contact with the family. King does chase chickens, and if horses ran he would chase them too. Being only 8 months old you may be able to train that out of him.

Being only 8 months old, King is not yet neutered. If you adopted King, you would be required to sign a contract, stating you will neuter him when he is 12 months old. If required, we may be able to help you obtain a discount voucher through the National Desexing Network.

**An Interview with
Lisa Davis,
the voice and model
for
101 Dalmatians'
Anita Radcliff.**

Part 3 of 3.

Are you a dog lover like Anita?

I am a dog lover, but I have never had a Dalmatian. I have three dogs now and when somebody comes to the door and they bark their heads off and somebody says to me, "How many dogs do you have?", I always say a hundred and one (laughs). But I've never owned a Dalmatian, because I have always been told by breeders, since I have a small home and a small back garden, and they tell me that they need plenty of room to run and romp because they're very active dogs. Very sweet, clown-like personalities. After all, they ride on fire trucks, you know. When you see a fire truck, you'll always see a Dalmatian beside the fire truck. I don't quite know why that is, but they seem to go hand in hand with the fire department.

What can you tell me about the recording process? Did you read all of your lines alone or did you ever record with other voice cast members?

I never worked with anybody else, other than the director, helping me, telling me how they wanted that particular line. But even though there were many scenes with other people, they just cut those in together— we never actually recorded together.

I don't believe they do it that way now. I think they do it very quickly and with a lot of people at one time, because I see pictures. You know, the difference is, in a lot of the animated movies today, they use very, very big celebrity voices, people like Robin Williams, he does a lot of voices. They do a lot of voice work and they do it very quickly. When we did 101 Dalmatians, I was on it

for four years, but now I think they probably do it in about 4 to 6 weeks. And it's not the amount of time why they didn't combine us. It was just a matter of doing one line at a time and being called in just to do one line.

What do you think it is about Cruella De Vil that has made her one of Disney's most beloved—or most hated, depending on how you look at it—villains?

Well, I think she is both loved and hated. I think she really is one of the greatest villains, not only of animated movies, but of all movies. She is loved because, although she's bad, she's somewhat humorous. I mean, she has a scene with me in the beginning when she comes in and wants to buy the puppies that haven't been born yet. And I ask her if she'd like to have tea, and I offer her a cupcake, and she puts her cigarette out in the cupcake. She's horribly funny.

But definitely one of the most wicked characters on the screen. I think the brilliance of Marc Davis, who drew and animated Cruella; I don't think anybody could have done the voice like Betty Lou Gerson. I'm so pleased that it was her, and she brought so much life to Cruella, and she's so wicked (laughs). She's a bad lady! You know, she wants to skin all of those puppies, she's got 101 puppies that she's turning into fur coats—that's horrible when you think about it.

I have never in all my life worn fur and never will and I think its because of Cruella De Vil. (laughs). She horrifies me! And when the guys are getting ready to skin the puppies, my heart is in my mouth every time I see it, although I know that doesn't happen to them, I always worry about it—it takes me in every time I see it.

Point Score Report

Well the Members City Point Score is over for another year. Entries have been low this year, but points are quite close, which shows the continuing competition right to the last show. Dalmatian of the Year 2014 is Grand Ch Varewell White Topaz. Full results are given below. There are a few more baby puppies about to enter the show ring and our National Show coming up in June, so hopefully there will be a bigger a turnout to our Point Score shows in 2015. The complete list of 2015 City Point Score shows is given below.

Entries for the Country Dalmatian, Country Puppy and Country Baby Puppy are due in early 2015. Members of the DAQ residing in Queensland and 100km or more from the Brisbane GPO are eligible to compete in the Country Point Score. Up to six of the best results won at Championship Shows for the 1st January until 31st December, 2014 will count for this competition. All shows to be counted must be held within Queensland and comply with the boundaries as defined below.

The "Six Best Show Results" and must include FULL breed results to be forwarded to the Point Score Keeper by the 14 February, 2015. Progressive results may be sent before hand or all at once.

Country shows eligible are all those outside the Brisbane area and the Brisbane area is defined as follows:- North to the Sunshine Coast Kennel Club, South to the Gold Coast Kennel Club, West to Toowoomba, but not including Toowoomba.

Don't forget we do have an Open Show Point score to encourage those that have not yet gained their Championship title. This competition is open to all "City" Members Dalmatians until they gain their title of Australian Champion, i.e. all Open Show results per year up until qualifying as a "Champion" can be counted. Award is made to the Best Open Dalmatian Dog and Best Open Dalmatian Bitch.

Up to six of each dog's best results may count from any Open Show held in an area bounded by Gold Coast Canine Club to the South, Darling Downs Kennel Club to the West and Sunshine Coast Kennel Club to the North. The year commences from 1st January 2014 and finishes on the 31st December 2014. Complete breed details relating to each of the six best show results are to be forwarded to the Point Score Recorder by 14 February, 2015.
