

# Dally Digest

APRIL 2017  
Issue number #289

## FROM THE EDITOR

### Welcome to Dally Digest

Here is your first edition of Dally Digest for 2017.

Our adorable cover star is Yuki who was bred by Wendy Johns and comes from the Muhammad Ali litter. Pedigree name is Brewen Not a Patch on Me.

I've decided to once again try a different format for DD, this time being all electronic and somewhat interactive. You'll notice some links to different websites and articles opening in PDF format. My aim is to make this a more dynamic reader experience. **Of course, those without email will be receiving a hard copy of the digest.** After reading through, please let me know what you think - email me at [themurphyspots@gmail.com](mailto:themurphyspots@gmail.com)

I hope you enjoy!

Cheers

# Say hello to our new Vice President!

Hello all, I'm Kahlia. Most of you know who I am from social media or seeing me around at dog shows.

I own and show Dalillu Gratiano, aka Yahtzee. Or also known as "Meathead" and "Nugget" to his best friends.

I must say being nominated and voted to be your new Vice President is very much an honour. While I have not been a part of the Dalmatian world for as long as some of our members, I'm very passionate about the breed and want to see it progress and improve well into the future.

I myself have three black spotted boys; Dice, Domino and the aforementioned Yahtzee. My love of Dalmatians came through my love of horses. Being a typical pony-mad girl, I began researching breeds that do well with horses and low and behold, the beautiful spotty dogs were it. I begged my parents for one, however I had to put my dream to own a dally aside. They wanted a Sheltie so purchased one from Rokel kennels, but I never forgot those striking elegant dogs.

Once moved out of home, I was able to indulge in my love of Dalties. So first came Domino, purchased out of the paper before I knew any better. We went to obedience classes together, as well as dabbling in lure coursing (and how great he is at that!), then came Dice from the RSPCA.

After a couple of years I started looking into the possibility of conformation showing. As luck would have it, while attending the Ekka one year and admiring all the beautiful Dalties on display I began talking to a lovely lady by the name of Karen Maker of Dalillu Dalmatians who took me in with open arms as a complete newbie and began introducing me to the world of showing. After showing a cute little liver bitch, Lyric for her, the Shakespeare litter was born and the opportunity of having my very own dog to show. So at Easter 2015, Yahtzee was welcomed into my home. I will forever be grateful to Karen for all that she has given me, in both knowledge, information and of course my wonderful third boy.

As your Vice President & also your Rescue/Rehoming coordinator for the upcoming year, I want to focus on making the second annual Dally Day Out bigger and better than the year before, potentially holding a lure coursing trial run by the DAQ & encourage members to voice their ideas or suggestions on how we can improve our club for the years to come.

I must pass on my sincere condolences to the Roseworn family on the passing of recent Vice President & Life Member, Joan Roseworn. Joan had dedicated many years of her life to the DAQ & for that, we will all be forever grateful.

I look forward to working with you all during my tenure with the club as I feel my way around this new role. Please don't be a stranger when you see me at dog shows or lure coursing events; I'm always happy to talk anything "spotty"!

Until next time,

Kahlia Murray

## **AN IMPORTANT NOTICE REGARDING THE DAQ SPECIALITY SHOWS - Saturday 10th June 2017**

We bring to your attention that last year, due to a lack of volunteers, Natasha and Julie were inundated with tasks for the show which left them very little time to actually fully enjoy the day.

As a community of like-minded members, we shouldn't expect one or two people to take the full burden of organising such an event. We do, of course, fully understand that we all have dogs to get ready for the show ring.

In order to avoid this happening again, we will be shortly compiling a list of jobs that will need to be completed for this year's DAQ Championship and Open Shows.

We ask that you look through the list and choose a task that you will be able to help with. Many hands make very light work and if we all pitch in and do 'something' then we can all enjoy the day to it's fullest.

Thank you in advance for your co-operation.

# Vale Joan Roseworn

**We were deeply saddened to hear of the passing of Life Member, Club Patron and Founding Member, Joan Roseworn.**

Joan was amongst the very first people to form our Association and has held various committee positions over the years. In 2016 she held the position of Vice President and Club Patron and now in 2017 we continue to honour Joan with the position of Club Patron.

Up until very recently, Joan was still an active member of our Association even though she wasn't able to be physically in the meeting room, I would ring her after meetings and brief her on what was discussed as well as giving her minutes to read through.

Joan held the prefix 'MessaSpot' and campaigned quite a few Dally's to champion status. She was active in the show ring from the early 70s and retired herself from handling in the mid-80s. She was known for having a preference for Liver spots and one of her proudest moments was when MessaSpot San Cristobel was awarded Best Liver Colour at a Dalmatian National.

Joan loved talking about 'The old days' of DAQ when there was around 100 members and all were actively competing in dog sports both here in Queensland and interstate. She often mentioned how after local shows, herself and husband Kerry would invite everyone back to their place and they would end up having a yard full of children and Dalmatians, with everyone getting along with each other.

Joan had a real sense of community amongst Association members and was very aware of our regional members. On a number of occasions she 'rallied the troops' so to speak and arranged road trips to regional shows so that our regional members would have an opportunity to interact with 'The City Folk'.

Joan was the epitome of the term 'Competitor'. She was fierce in the show ring, determined to handle her Dally to a win. She was humble when she won and gracious when she lost. The third trait being the most important as regardless of who had beaten her, she never let that cause ill-feelings towards fellow competitors. She respected others opinions and always showed fantastic sportsmanship.

Personally, Joan is someone that I have admired for a very long time. Her graciousness and sportsmanship is what I strive to model my own behaviour on. I will dearly miss our chats and her friendship.

The Dalmatian Fancy have lost a wonderful supporter but our memories of her will live forever.

Rest in Peace Sweet Lady.  
Written by Krisi Murphy

*Footnote: Your Executive have decided to honour Joan by naming our upcoming Championship Show 'The Joan Roseworn Memorial Show'. This text will be printed on all ribbons, rosettes and sashes. Some representatives from Joan's family will be present at the show to assist with the Trophy Presentation.*

# Meet Jonathan Marshall

Jonathan Marshall has been contracted to judge our Specialty Championship Show on Saturday 10th June.

Jonathan was born into the dog world with his parents showing Dalmatians under the "Pampard" prefix in the U.K. Jonathan soon got involved with showing & campaigning Dalmatians, Labradors, Weimaraners, Cairn Terriers and his Fathers Tibetan Terrier qualifying him for the Crufts final in junior handlers.

In his mid teens after Pam Marshall (Jonathan's Mum) judged the Dalmatian National in Melbourne it was soon evident that the family loved Australia and the family immigrated to Australia, where they continued campaigning the "Pampard" Dalmatians, winning several National, Royal, speciality and All Breeds Best in shows along the way. Jonathan soon became interested in judging and passed his Non-Sporting exam in 1997, following on with Gundogs, Utility, Terriers, Hounds & working Group licence's in 2016. Jonathan has been studying the Toy group for the past year and is looking forward to sitting his practical exam. Judging has allowed Jonathan to travel around the world, he has been lucky enough to judge Dalmatians in many corners of the globe, judging large numbers, his largest entry of Dalmatians was 183 at the Dalmatian Club show in the UK.

On the administration side of the dog world Jonathan was president of the Dalmatian Club of Victoria for 8 years, has been the President of the Dalmatian Council and currently serves on Several Dogs Victoria Committee's plus also running two All-breed clubs.

In business Jonathan with his wife Shellie run three small business, two of which involve pets, one being Countryside Pet Resort and the other Dogtainers which is a Pet transport company.

Jonathan & Shellie feel very fortunate to have three wonderful children, all of whom enjoy the dogs and hope one day that they will carry on with the Pampard Dalmatians.

# Member achievements

Congratulations go to:

**Fran Darling** who in 2017 is celebrating 50 years of Paceaway Kennels. A fabulous achievement! The Association will be celebrating this achievement with a special presentation to Fran during the Trophy Presentation at our upcoming Speciality Shows.

**Wendy Johns** of Brewen Dalmatians who successfully campaigned her newest show dog 'Superman', in only his second outing, to BEST IN GROUP and 25 points towards his CH title.

**Terry Irving** of Ozzispot who has kicked off 2017 in a big way with 'Ella' Ozzispot Sinners N Shadows being awarded 3 x Best in Shows! Also flying the flag for Ozzispot is 'Karzii' Ozzispot Th Edge of Glory (AI) SPD AD JD, who has gained her SPD, ADX AND JD titles in Agility. Karzii and Terry have now both retired from Agility after competing for the last 20 years.

Karzii aka Ozzispot Th Edge of Glory

We love to celebrate our spots achievements, so don't be shy and share details of titles and major wins with us. Email the info to [themurphypots@gmail.com](mailto:themurphypots@gmail.com)

## President's report – AGM 2017

I've been reflecting on this past year in my role as President and have been evaluating if I have been able to achieve the things that I had envisioned back in March 2016.

I knew that I wanted to make some positive changes to the Association and start a path that would bring a more inclusive environment, where members felt that they are always given an opportunity to voice their opinion and to participate in the decision making regardless of where they are located or whether they choose to take up these options.

The Association has sent email blasts where we have been able to allow members to vote electronically and to update on any news that comes to hand in-between Dally Digest editions. This form of member involvement was used for the member vote for choice of Championship Judge and choice of date for our 2017 Championship show.

Approximately half of eligible voting members responded, allowing the committee to make a clear majority decision on the subject.

A member survey was also sent towards the end of 2016 and again over half of our eligible members responded, providing the committee with valuable feedback to determine our member offering in future years.

Some other changes occurred throughout the year including the redesign of Dally Digest and our DAQ website. Both these changes have received positive feedback.

Perhaps the biggest achievement was the introduction of Dally Day Out. This event was a very popular offering to non-members who own a Dally or two. A handful of members volunteered their time to help out on the day ensuring it

was a success and that it will now remain on our event calendar. Again a big thankyou to Natasha, Kahlia & their husbands, Julie and Fran who stepped up and willingly volunteered.

Our Champ and Open Shows held in June last year were a big success with large entry numbers. Unfortunately as the timing of the shows clashed with major work commitments, I wasn't able to volunteer to help, but was comforted knowing that Natasha aka "Superwoman" managed to keep things running smoothly on the day.

Activities planned for this year and future years include such things as running our own Lure Coursing event and the possibility of adding in an Endurance Trail.

These are still in the development stage and aren't as yet confirmed, but I will be trying to focus my efforts to ensure they come to fruition.

Your DAQ Committee have continued to volunteer their time to enable the smooth running of our Association. Without these people there wouldn't be a club and I thank each and every one of you for your efforts. I trust that we will remain a cohesive committee and even though we may not agree on some things we can

still keep a positive working relationship for the benefit of the Association.

It's our differences of opinion that allow us to have open, transparent discussions that in most cases enables one to perhaps obtain a different perspective on issues.

I look forward to working with you all in 2017 and beyond and willingly offer myself for re-nomination as your President.

Krisi Murphy  
President

## Secretary Report

What a Fabulous year for us at the Dalmatian Association of Queensland Inc. We had the pleasure of a fabulous year filled with spots once again. June we had our Open and Championship shows, there were some wonderful animals exhibited on what was an incredibly busy day for myself. I wore many hats of Club Secretary, Show Secretary and Trophy Steward. Something I don't think I want to repeat in a hurry.

Unless you have filled one of these positions you probably have no idea the work that goes into making these events run as smoothly as they did. This year, I hope more of you roll up your sleeves and come and help at the club, or events like this cannot happen. Many hands make light work.

In August, we had a breed stand at the Dogs Queensland All Dog Sports Spectacular, the theme "Animals in the Movies" and our 101 Dalmatians stand was well embraced. Krisi and

I even entered in the "Best dressed Comp" Krisi was the easiest dally I have had the pleasure of stacking with a bottle of wine as bait.

September saw us hold our very first Dally Day Out, what a fun day that was, it went off with a bang, this is what it is all about, educating the public about our wonderful breed.

We didn't quite make our 101 dally target, we did give it a good crack, maybe this year's dally day out will not be so hot.

I am looking forward to a more relaxed 2017, and hope to focus on Showing my Spotties and gaining a few Lure Coursing titles along the way.

Here's to a successful 2016 and bring on 2017.

Natasha McIntyre
